**DOPP KIT, BLUE CLAW CO.**  
Blue Claw's Dopp bag is as resistant to blending in as it is to wearing down. Designed exclusively for Bespoke, each bag was painstakingly handcrafted in the good old US of A. The waterproof exterior is crafted from heavy, 15oz waxed canvas sourced from family mills in the heartland, while the full-grain leather handle and pull tab, bronze rivets and zipper, and signature blue ballistic nylon lining boast a rugged simplicity. Americana at its best.
